We and our 40 IAB TCF partners store and access information on your device for the following purposes: store and/or access information on a device, advertising and content measurement, audience research, and services development, personalised advertising, and personalised content.

Personal data may be processed to do the following: use precise geolocation data and actively scan device characteristics for identification.

Our third party IAB TCF partners may store and access information on your device such as IP address and device characteristics. Our IAB TCF Partners may process this personal data on the basis of legitimate interest, or with your consent. You may change or withdraw your preferences at any time by clicking on the cookie icon or link; however, as a consequence, you may not see relevant ads or personalized content.

Our website may use these cookies to:

- Measure the audience of the advertising on our website, without profiling
- Display personalized ads based on your navigation and your profile
- Personalize our editorial content based on your navigation
- Allow you to share content on social networks or platforms present on our website
- Send you advertising based on your location
